RESIDHERE AB 150

Disproportionated rosin soap neutralized with potassium hydroxide solution.

VERIFICATIONS			
Characteristics	UN	Specification / Tolerance	Method
pH (2% in water)	-	9 – 12	ML SC 043
Solids content	%	47 – 55	ML SC 017
Solubility in water	-	Soluble	ML SC 012

APPLICATIONS

- Additive for concrete and mortar.

BENEFITS

- Solvent free;
- Not flammable product;
- Decrease of concrete density;
- Easy handling.

PACKAGING

Type	Size	Shelf life
Steel Drum	180kg	12 months

DISCLAIMER

To prevent accidents and impacts environmental, please check the product SDS. We request our customers to test our products before using them on industrial scale. The user of our products bears the responsibility of determining their suitability for a particular application or formulation, or determining that the products or their use do not infringe any intellectual property.

We do not assume any responsibility or warranty, expressed or implied, resulting from handling, usage and storage whether performed according to the instructions contained in this document, whether used alone or in combination with other products.

The buyer assumes all responsibility and liability for loss or damage arising from the handling and use of our products, either alone or in combination with other products.
