*The Basis of Your Peaceful Sleep*

*The basis of your peaceful sleep*

Thinking about people's well-being and producing smart, safe and practical products are attributes that reinforce WoodFlex's commitment to their consumers.

Sleeping in a WoodFlex is having the guarantee of being on a box bed that follows the most rigorous standards of quality, manufacturing respect for the environment. All wood used in mattress bases is processed in a modern factory, Itabox, company of Grupo Resinas Brasil, world leader in the production of products derived from Pinus.

Include WoodFlex products in your store and provide your customers with quality, confidence and tranquility.
